HENRY HUSER *The Mayor opened the floor for public comment.*
Mr. Huser asked if the Province’s prepayment of the Wastewater Treatment plant grant was the \$416,000 shown in the conditional grant amount. CFO McClure responded that the portion was approximately \$600,000 but the conditional grants are more than just that one grant.
Mr. Huser stated it is hard to tell how much of the grant money has been spent and he wanted to know where it is allocated. CFO McClure responded that it shows under the sewer infrastructure in the Statement of Financial Information.

PUBLIC QUESTION

PERIOD:

HENRY HUSER Mr. Huser asked if the difference between the actual pay to the CAO and the amount that was allocated as shown in the SOFI report is the difference of what would be paid to her the next year. CFO McClure responded that yes, in theory it would if the CAO took all their vacation time in that year.
