

## OCP Economic Development Survey - Comments by Question

**Note:** Not all questions allowed or required a comments.

### Question #1 - no comments

#### Question #2

##### Comment # Why do you choose to live in Salmo?

1	Made my living yhere for 60 years. on council 40 years, 20 years a s Mayor, 34 years as alderman or councillor
2	Amazing child care centre!
3	volunteer opportunities
4	good water and farming
5	CHILDCARE FACILITY IN TOWN
6	Potential for community growth and business opportunities
7	clean water
8	Progressive, environmentally-aware village administration. Clean air and water
9	came here over 30 years ago, things were a lot differant then, affordable housing , family safe place to raise your kids
10	The openess vs the closed in feeling with the mountains in Nelson...
11	the openess of the landscape...does not feel so hemmed in by mountains as in Nelson.
12	Not really a choice just circumstance. Certainly not less expensive considering local prices and commuting costs...and taxes higher than nearby cities.
13	Great water and clean air

#### Question #3

##### Comment # Why do you visit Salmo?

1	Friends,singing group,farmers market,thrift store
2	no muslim terrorists yet
3	Basically everything, since we live just outside the village limits
4	Own property there.
5	Mail
6	Post Office
7	Post office
8	Post office
9	Village Council affairs

#### Question #4

##### Comment # What do you like most about Salmo?

1	Affordability Location It's beautiful here
2	Affordability. The sense of community. The beauty that surrounds us
3	Generally more affordable for living, small population, relaxed lifestyle, no traffic, central to amenities
4	The houses that are homes rather than showpiece custom built million dollar houses...the funky and peaceful atmosphere.
5	affordability

6	The schools, access to ammenities and the people.
7	Easily walk to almost everywhere. It's small
8	all amenities are within walking distance, access to mountains and rivers
9	Access to many services. Small town living.
10	Nature, so many services for its size. Salmo is the friendliest and most supportive community. I can't imagine being anywhere else
11	Living in natural setting. Slower small town pace of life (after having lived in Vancouver for 25 yrs.)
12	The scenery and the friendly people
13	Quiet, nature, wide valley, flat, good schools
14	The outdoor environment
15	Beautiful area.
16	Fresh air
17	beautiful
18	I like the quiet village vibe. I like that it was an affordable place for me to buy on a single income, and that I am easily able to commute to my business in Nelson. I like the combination of the rural feel while having close access to amenities like grocery stores, gas station, post office, etc.
19	When I bought my home moved here, despite being born and raised in the Kootenays, I really knew nothing about Salmo. I love it here. Hard to say what I like most, but I would say that the sense of community, the quieter laid back village feel, the affordability, and close accessibility to all the surrounding communities.
20	Quiet easy going community with access to health care and local stores and pharmacy
21	Quiet, friendly, great level walking areas, all the amenities.
22	Friendly welcoming . Also, most of the amenities we need are here, and easy to get to.
23	Limited population. Close proximity to necessities (pharmacy, library, basic shopping, medical center.)
24	Friendly town, has nearly everything I need so I can avoid driving to the bigger centres.
25	Hometown, good friends,easy walking routes,
26	Small close knit community. Very friendly and has most necessary services.
27	Quiet, beautiful spot. Friendly people.
28	The people, water and fresh air
29	Small, unspoiled rural area with a great community.
30	Great community (people, place and things) and access to the outdoors
31	Our community helps one another, friendly and downright beautiful
32	Small friendly town and it is flat easy to get around.
33	Keeping the town with historical features.
34	Upcoming young families. Central location from other towns nearby. Small community with great volunteer support.
35	Community spirit seems strong. Low density area with a downtown core. Ease of movement both as a pedestrian and in a vehicle. Amenities available for a small population size.
36	It's inclusive, peaceful and community-minded.
37	It is truly a community based town that is very supportive of it's people. We have access to many great outdoor activities. There is room for growth and business opportunities here.
38	The community! Great programs for kids, families, seniors... everyone! Living in a small safe community where we know most people and everyone is looked out for.
39	Small town support, everything near by, reasonable costs for everything
40	All the indoor and outdoor activities and the sense of community.

41	Small town feel. Easy access to outdoor activities
42	I love the small town feel. The closeness to ski hill, golf course, atv trails/hiking trails
43	The people,the convenience of shopping there instead of traveling further.
44	The community, vollenteers small and quiet
45	How we have a community that cares about helping each other which goes into the volunteer that happens to help keep down the costs.
46	Volunteers who run the ski hill, skating rink, pool etc
47	The king people who live here and proximity to outdoor recreation.
48	Everything I checked in #2, plus encouragement to be involved.
49	The people
50	Peaceful and generally friendly until 4 years ago- hoping for better again.
51	Friendly community
52	its sense of community
53	The Community
54	Sense of community
55	The community and all it has to offer.
56	Comunity conections
57	Friendly people. Willingness of most to volunteer when needed
58	Sense of community.
59	Friends an family.
60	Friendly
61	not much at all ,
62	People
63	The community
64	Small town living
65	Not over run w tourist yet
66	Family friendly
67	The area I grew up here
68	The community feel
69	Small
70	The community feel.
71	Its friendly people
72	Small town
73	Sense of community & the people
74	The "community spirit" and the amazing people
75	The sense of community
76	The sense of community now that "white is right" Mayor is gone.
77	I like the small town feel and the people!
78	I enjoy the relaxed setting of this community
79	Outdoor small town
80	Friendly close community
81	people are friendly
82	The people
83	Family/community spirit
84	It is a great, safe place to bring up children. It has a great library. Everything is within walking distance. Best water in the world. The ski hill is close.
85	The community is great to raise kids.
86	laid back lifestyle, the environment
87	Salmo town lifestyle. Great place to raise children.
88	small community feel but many oppportunities

89	Laid back lifestyle.
90	Clean water. Community spirit. Come together in time of need
91	Kids can feel safe riding their bikes on the streets with their friends. "It takes a village" rings true here.
92	Mostly safe and pretty affordable
93	The small town feel
94	It's safety.
95	Dragonfly Cafe
96	Dragongly cafe
97	Our town has everything. It's very convenient for family's & seniors. I like how there is always something going on.
98	Everything... I love Salmo
99	It's flat and has great amenities.
100	Flat
101	It's the Hub....close to Trail Nelson Castlegar.....pool....schools....curling rink....ski hill....restaurants....shopping
102	So close to all bigger cities. Great outdoor activities in our back yard. Great community
103	Location, to bigger towns, easy to find beaches, lots of history
104	Location
105	It is central to all the other bigger communities.
106	Proximity to larger centres
107	It is generally quiet
108	It is quiet
109	Easy access to outdoor recreation. Skiing, mountain biking, snowmobiling
110	The trails to walk and the children activities/groups.
111	Environment of area, small town
112	Activities available for all ages
113	Lots of affordable outdoor recreation
114	That there is so much for such a small place. Ski hill, pool, farmers markets, trails....
115	The volunteering that goes into running the ski hill, pool, skating rink etc
116	GREAT VOLUNTEERS
117	Water... fresh air....people...
118	It has great drinking water and great people.
119	The drinking water, it's flat, the rivers, the mountains, the easy access to other places
120	My family is here. We can enjoy a variety of activities in every season creating memories for them
121	1. Attention to a strong and enforceable regulatory structure 2. Unspoiled outdoor environment
122	Sunny; small size; access to agricultural opportunity.
123	no muslim terrorists
124	Growing up here there was lots to do salmo had resturants an arcade and the pool things have dropped in the last few years

### Question #5

Comment #

### What do you like least about Salmo?

1	Meth and not enough done about it.
2	drugs
3	Ugly attitudes about "others ". System abusers.

4	Bickering that's been going on lately.
5	the clique of long term residents and how they treat new people
6	Sometimes people are negative about their own town.
7	addiction are high to both drugs and booze both up the crime rate. The nasty lies and gossip of the people that think there shit does not stick has damaged my people for no reason! Really what is there to like ! Any new comer well get trashes but the local inbreeds.
8	The way the local government and council are sneaky about some of the things they do with out public input, and the lack of action on the part of the RCMP in criminal matters
9	Everyone knows everyone else business. And it's hard to get certain items. And some items are way more money.
10	It is a bit of a sleepy town. It's not very welcoming to certain new businesses (some of the residents aren't, anyway). I think it would definitely benefit from having a nice dinner restaurant, a decent group training and fitness facility with good hours and I also think a brewery would do really well here.
11	Small town politics, limited dining choices, no social places other than the bar open late.
12	Rundown, trashy-looking properties, political bickering (May have changed)
13	Split community due to small town politics, lack of pride in home ownership....very diverse neighbourhoods
14	The older generations not wanting change or the younger generations opinions on many different places that need help or upgrading in town.
15	Unwillingness of some to see both sides of a problem and to accept change
16	Has a reputation for being low class.
17	Petty gossip
18	Not much to do besides outside activities and drinking
19	petty gossip and infighting
20	Negative attitudes by some politicians
21	At times in the community a resistance to change.
22	Very divisive community.
23	Politics Creating sides/exclusion
24	Older generations not accepting of change as there is also a very large young family community here that can benefit from some changes.
25	knowing most people , people watching out for people
26	Two-faced bitter people
27	The attitude many residents have. specifically the ones who always bash on the village I think you all understand what that means
28	Rumour mill
29	The politics that arise in a small community
30	Rednecks
31	The un-thankfulness of people that do not contribute to the community but still complain. Also, that we get such a little amount of tax dollars from the Federal Government but we get downloaded on. This is for any place not just Salmo
32	Cliques
33	Short sighted politics
34	Drug-related petty crime
35	DRUG USE, THIEVES, GOSSIP.

36	The thefts, littering/dumping, bullying (and I am referring to adults and online mostly, towards people of different views).
37	On going crime, break & enters, lack of visible RCMP presence. Residences whose owners fail to maintain to decent standards (eyesores) Unemployment, large number of the population are drug users or addicts....lack of maintenance in certain areas (Recycling Depot)
38	The amount of crime recently; break-ins, thefts. Seems high for such a small population.
39	The crime.
40	Crime
41	Recent problems with thefts.
42	Certain handful of thieves
43	Rising crime rate
44	The new police officer's presence
45	certain by laws, price of groceries,
46	The produce in the grocery store isn't the best. Lack of new family volunteers. People not paying for services
47	Distance from decent grocery stores
48	Grocery shopping
49	Grocery shopping
50	Lack of good grocery store
51	the cost of toilet paper and coffee. Must shop strategically...otherwise, support the two little grocery stores. Shop Easy is marvelous with their hours...yep.
52	Not many good options for shopping or eating out.
53	Shortage of retail and restaurant businesses.
54	Needs more businesses
55	Lack of shopping, new clothing etc. Have to go to trail or Nelson
56	Lack of small local shops/ artisan etc. Feel with all the local artisans, a broader base of community could be developed to encourage tourism & help local economy.
57	Lack of retail stores.
58	Not enough stores.
59	Not enough local employment for youth, need more light industry, another restaurant, another gas station, not enough competition to keep prices in check
60	Lack of jobs and restaurants
61	Not enough jobs....
62	We could always have more local employment
63	Lack of well paid local employment opportunities.
64	No indoor ice arena.....no indoor pool....only Credit Union no banks
65	Minimal activities and play areas for small children. Driving out of town for recreational activities
66	Lacking in activities and play areas for younger children. Driving to other towns for recreational activities for children
67	Not as much to do in town have to go to town for activities
68	Year round recreational activities
69	Lack of activities and a dated system. Needs a refresh on priorities and public outlook. It's a beautiful place that young people may have misconceptions about, which hinders growth.
70	lack of support for childrens activities and facilities
71	Not enough for everyone to do . if a person isnt friends with the people who run youth center there kids arnt verey welcome. We dont have what other comunities have that are our size spray park out door gym equipment and when i want to fundraise to provide these thibgs i get threats and to bw told watch whose toes i step on.... The crime and drugs.

72	lack of some services.. i.e., dentists. Sometimes can feel like an "old boys club" when new people want to volunteer with new ideas, often it is heard we have done been there done that and not interested in going any further. Even if a few years have gone by and things might have changed
73	Lack of some services
74	No Dentist office
75	Lack of services
76	too many liquor outlets/rowdy downtown, lack of proper signage - i.e. turkey crossing signs, KP Park sign from highway
77	How the village plows the snow and how the taxes went up \$200 as I did NOT have a parcel tax. Now I pay MORE .To all the rich people with large properties...YOUR WELCOME !!!
78	Limited hours of operations for many businesses and community services, especially on weekends
79	Lack of culture.
80	Nothing
81	?
82	Vehicle noise coming from Highways 3 and 6
83	Parents don't push their kids to play sports. Shambahla is a disgrace to our community and no funds given to Salmo our of their profits all goes to Nelson
84	The concept of tipping fees for waste disposal does nothing to solve waste issues as it does not alter consumption. The result of the tipping fees is waste that is illegally dumped and waste that is stored on private property often in public view.
85	High cost of living
86	N/A
87	Poor internet!
88	snow
89	Nothing
90	Nothing
91	seedy underbelly, poverty. But its not that bad.
92	Recycle bins full
93	Snow and even that is manageable.
94	The wildlife
95	Cant think of anything at the moment.
96	Nothing
97	Not enough being done to attract new business so the community can develop
98	lack of growth with businesses
99	Lack of business potential. Small base of people.
100	Lack of growth economically.
101	We need another coffee shop something more affordable. Recycling services. Baseball ends at 13 here, no babe ruth league. Indoor skate park is a waste of space we could have a gymnastics club. Theft.
102	Not enough restaurants
103	Lack of restaurants.
104	Lack of restaurants.
105	Lack of dining options
106	Lack of restaurants

107	The lack of more frequent bus services. The lack of snow plowing on secondary etc..roads in winter. The lack of upkeep on existing river Dykes. The lack of facilities..ie: all year round pool, and covered skating rink.. That plastics (bags) aren't banned in Salmo.
108	no cabs or buses, for local transportation or to commute to other towns..
109	Poorly kept properties. A bit of an eyesore.
110	Unsightly properties.
111	The unkept areas of Salmo certain properties and the recycling area it could be cleaned up a bit better or moved all together to create a more park like feel...join the curling rink,ball field and skating rink with paths and picnic tables for a multi use area for everyone locals and visitors.
112	Amount of junk people have in yards .
113	It's run down.
114	At this point, there is nothing that I don't really like, other than the overall lack of curb appeal. Salmo looks fairly run down when coming in on Highway 6 and Highway 3a with vacant businesses and run down residential properties along the highway and main routes in the Village.
115	Lack of ditches and poor road construction, broken pavement.
116	For what I feel is such a great little community, the curb appeal here is awful. There are numerous run down properties and junky yards seen from both the highway and throughout the Village and it doesn't create a good impression.
117	The buildings. I don't see pride in ownership of many of the stores. Main St looks worn out and tired.
118	I think Salmo needs to address the untidy, unkept housing in the downtown core. We need to have a different approach to how the town is upkept. Perhaps a few lessons from Greenwood, Grand Forks, Midway, Creston and other small towns that preserves history and beauty. The "dandelion" issue in spring is so unsightly.

<b>Question #6</b>	
<b>Comment #</b>	<b>What types of businesses and amenities do you see as being key to the sustainable economic development of Salmo?</b>
1	We need to have lots of things for young people to do. High speed internet is vital!!!
2	Brewery and group fitness facility
3	cannabis for the people
4	recreational cannabis industry
5	Childcare!
6	Childcare
7	Childcare centre
8	Childcare / daycare
9	Children's Centre
10	churches, legion, camping, clothing
11	RCMP Detachment
12	dentist
13	Some type of business that would employ a number of people, a cannabis store
14	more job growth is needed
15	natural resources, brewery, vet clinic, 24/7 convenience
16	Art/ crafts/ artisan workshops, groups, etc. Social activity involving creativity knitting, pottery, painting etc
17	Any business can help a community grow.

18	Splash park, More businesses with variable hours
19	Hardware, Farm Supply, A community Hall that is beautifully engineered and well kept. Places people can “mingle” and become more neighbourly.
20	All of the above plus more clothing stores.
21	hardware and building supplies
22	all of the above and Value added industry, and Farms
23	properly managed information booth and chamber of commerce
24	Library
25	larger library.
26	Advertise as senior friendly....great for raising young children....if we got high speed people could work from home
27	An update to promote a younger target population growth
28	local plumber.
29	Indoor pool
30	arena
31	Need more restaurants and another gas station
32	We need a good Chinese food restaurant! You didn't put Library in the selection
33	We need a competitor cafe
34	Salmo needs more restaurants in town
35	Really, the more services that are available, the less residents have to travel out of town to meet their needs. The more activities there are to do, the greater the draw to new and existing families to move to Salmo. Families create community.
36	Grocery for organic, sustainably-produced products
37	shops iel: boutiques/clothes, farmers supply, commercial greenhouse
38	Small manufacturing, atv,snowmobile rentals and guiding
39	Municipal government should encourage all legal private enterprise equally and transparently. Providing a stable and fair tax for business owners and appropriate zoning is what is necessary to attract sustainable business.
40	Taxi services especially for drinking and driving
41	Thrift store,food bank,community services.
42	Volunteer organizations eg: Legion, Healthcare Auxiliary, etc.

<b>Question #7</b>	
<b>Comment #</b>	<b>Creating local jobs, attracting visitors and providing goods and services to residents and visitors is a key component of economic growth and sustainability. What additional types of businesses would you like to see in Salmo that would be of benefit to the community as a whole? Choose all that apply.</b>
1	Motorcycle, shop - tour guide business -
2	Another store will need to be a combination type store, could have a recycling facility
3	Dollar store
4	Dollar Store
5	A business coop
6	cannabis farms
7	Tree and Plant nursery, Greenhouse production
8	I would like to see a bigger Farmers Market perhaps 2 days a week to help the local farmers and artisans sell their products.
9	Farm Supply, Garden Centre, Gift Shop, Butcher Shop, indoor pool, community college.
10	Help for the local farmers - abattoir

11	Eye Doctor/Lens Dispensary
12	need more land, rezone RR property
13	why is laundromat keep coming up? is it because its the mayors business?
14	we use to have clothing stores , would be nice to get a bottling company like cocacola ect employment needs to grow as we are growing
15	Again, provide an equitable tax and zoning environment and avoid any favouritism.
16	Most new businesses are great! Anything to help create jobs and put cash back into the local economy.
17	Up cycle center, abbotoir
18	Companies that produce/service products related to renewable energy
19	Again, more restaurants
20	Nice clean RV Park with services closer to the village
21	Sports facilities/training centres, Furniture Sales
22	Group fitness training facility with good hours for working people
23	Sporting goods store

<b>Question #8</b>	
<b>Comment #</b>	<b>Which of the following types of weekly, monthly or annual events do you see as being the most likely to regularly draw people from the surrounding towns and villages and tourists from far and wide to Salmo for the day (or more) to support and grow local business? Select all that apply.</b>
1	Agricultural Fair
2	ATV and snowmobile events will bring loud and obtrusive noise! plus they create a mess of the natural landsacape and destroy sensitive trails!!
3	Childrens sporting events bring large crowds as parents and relatives all come to watch and support the children.
4	Demolition Derby
5	Earth Day Several could be combined and presented with existing events
6	Eco repair/recycle/reuse cafe (Weekly or monthly) + Lecture series on topical subjects (Monthly)
7	community food preservation, many hands...
8	Hiking Events
9	logging skills are now mechanized
10	Some of these could be twice a year, some already are happening
11	Town hall meeting with mayor and council to talk about sustainable communities
12	Some of these could be monthly during the season, or maybe 2 or 3 times in the year.
13	Any event will draw an audience of proponents or fans. Any events financially sponsored by local government should pass criteria related to enriching the lives of the widest number of residents. Special interest groups should be encouraged to put on their own events and local government should provide a regulatory structure that accomodates this end.
14	Definitely time to pick up our socks here...
15	These events should be done well.
16	Annual 5K, 10K Road Race
17	develope a family visitor center around the creeks and rives.
18	Wine/beer festival

<b>Question #9</b>	
<b>Comment #</b>	<b>Support by residents is important to the long-term sustainability of an event. Which events would you personally support on a continuing basis?</b>
1	Farmers market
2	ATV and snowmobile events create sound pollution and should not be promoted in our quiet area!!
3	All things Agriculture, including opportunities for cannabis retail/Co-op
4	came here to die
5	Earth Day
6	Hiking in Salmo event
7	came here to die
8	There are more that I would support.
9	While local government should provide the environment for special interest events it should not engage in recruiting volunteers. All levels of government should be focused on doing the greatest good for the broadest population. By definition this would preclude organizing special interest events. Infrastructure and policies should be the focus. Real community will happen if given opportunity.
10	Any type of creative activity
11	Annual 5K, 10K Road Race
12	Eco Repair Cafe - see 7. Other
<b>Question #10</b>	
<b>Comment #</b>	<b>What makes you support local business?</b>
1	friendly support of Salmo customers by local businesses and staff.
2	Happy to always support local business but we need more variety.
3	Customer service
4	I like to see people that I know and support their businesses.
5	Personal service
6	cannabis
7	The businesses are so supportive of the community
8	Environmental footprint of products and activity
9	I try to support local business , pricing seems way high compared to other areas, worth spending the few bucks to be able to afford
10	As I noted have to shop strategically according to my income level. Coffee, toilet paper, items such as this are TOO expensive at local stores.
11	These are reasons to support any business. Location is important but not at the expense of other criteria.
<b>Question #11</b>	
<b>Comment #</b>	<b>If Salmo were to solicit, attract and offer post secondary education, what kind of schooling would you like to see here? Select all that apply.</b>
1	Night courses may cover it but basic business courses, bookkeeping, marketing, etc
2	tech / computer coding
3	Creative writing,computer basic skills,sewing,crafts..
4	tech training
5	None
6	Horticulture
7	2
8	Farming

9	Indigenous studies
10	M
11	Best not to compete with other local areas offering something similar, although a SC satellite would be great. The closest heavy equipment training is in the Okanagan I think.
12	Bring it on.
13	Please provide an environment that encourages this type of educational endeavour through good policy.
14	Anything that would help the community. I personally would be interested in Art College
15	Computer sciences
16	Any and All of the above
17	French conversation and English as a Second Language
18	Lecture series on topical subjects (Monthly) - see 7. Other
	<b>Question #12</b>
<b>Comment #</b>	<b>What do you think Salmo could do to attract business to Salmo?</b>
1	Advertising
2	Promote local businesses
3	Advertising
4	More advertising
5	Start selling Salmo in a positive light
6	Be more open-minded & advertise as such.
7	highlight its assets more and consistently-
8	Social media advertising
9	Better advertise/market Salmo's strengths. While not extravagant the basic amenities a person needs are all here.
10	Advertise
11	Attract people
12	Advertise...advertise...advertise
13	Web page advertising
14	Advertise
15	Host open-houses on why to do business in Salmo- show business owners what makes Salmo great
16	Salmo has been raising its profile in the Kootenays. Keep up the good work!
17	Letting people know how great the community is
18	Promote affordability and accessibility to surrounding communities
19	Promote its incredible drinking water.
20	Cheap to do business
21	Keep reminding people that we are the Hub of the Kootenays
22	Promote that it's an untapped market
23	Advertise
24	advertize
25	Better/more modern social media presence
26	Advertising, promote the community
27	More yearly events to make people aware of Salmo
28	Radio
29	Talk about benefits of living in salmo
30	Advertise the diversity we have here
31	put it out there, show some initiative on part of the town council
32	Targeting young market

33	bring in bigger business
34	Easy commutes to Trail, Nelson, Castlegar (winter, not so great)
35	Middle of the kootenays
36	Seek out businesses that fit that model
37	Remind them of the clean water
38	More advertising of what Salmo has to offer..so much
39	It's a hub to Trail, Castlegar, and Nelson. So there can be a larger customer base within a 30 minute commute
40	Advertising
41	Promote Salmo better
42	Promote Salmo and all of its assets
43	Promote four season amenities
44	advertise that Salmo is open to new business!
45	maps of local attractions
46	Represent as professional
47	More advertising using the above
48	Really targeting young people (23-40) who are willing to travel and are looking for cool new things to do in the kootenays
49	Advertise where we have space and really sell "what could be"
50	Ammenities
51	clean air
52	Advertise
53	Select one or two business types and actively advertise within that industry for six (?) months, and then move on to a different industry. Focus and saturate.
54	Promoting unique outdoor events
55	Articles and interviews in magazines such as "Kootenay Business"
56	Community support from other businesses & cross permotion from all local businesses. More people; tourists, brings money to everyone & jobs too.
57	Engage with Shambhala patrons
58	Engage with Shambahla patrons
59	Take advantage of the shambhala music festival
60	Offer plublicity in the west koots
61	Small town feel
62	Remind them of the low price of land and housing
63	Approach known successful to open satellite
64	Actively seek out corporations to come here. Have a dedicated committee for this. It is our future to provide jobs. We need an assembly plant etc. with 100's of new jobs created. Green products would be the best of course.
65	Hub of the Kootenays as an attractant!!
66	Advertising
67	Display a positive attitude
68	be more supportive
69	Be more open to businesses
70	Open July first to more vendors. Just because it's available in town is a very poor excuse to prevent vendors from setting up at KP park
71	Be open to possibilities and insure infrastructure is in place
72	Support our local business
73	People be more welcoming
74	Listen to the younger people

75	Get the White Supremacists off local FaceBook groups. This is very bad for our ability to attract people to live here when people with those views dominate local chats
76	Be open to new business
77	support Young Agrarians in their marketing and land-linking initiatives
78	Promote competition and diversity in eateries
79	Encourage Senior part time businesses
80	Be business friendly
81	More local support
82	make Salmo's vacant lots look more appealing
83	Help provide decent locations by helping restore key buildings
84	Make it look nicer
85	Clean up the existing storefronts and business (signs, paint, facades etc)
86	Update cosmetics
87	Beautify the village, roads are a mess.
88	Provide a decent location for a business.
89	Make Salmo look nicer. It's not the prettiest small town.
90	Fund restoration of key historic buildings
91	Tidying up the downtown core - perhaps grants to help business owners repaint their storefronts?
92	Update, paint and make landscaping appealing to visitors
93	Beautify streets - benches, planters, art
94	Beautification
95	Clean up the village
96	Further commitment to beautifying.
97	Value added wood products
98	micro brewery, grow hemp, art displays in the woods
99	increase agricultural opportunities for small-holders of land
100	Wine and cheese bar
101	Timmies
102	Offer affordable services and goods
103	Offer quality services for competitive prices
104	Theme park
105	Find a unique gimmick/shop for tourists/campers (dinner jackets?)
106	More verity in restaurants
107	Community Co-op gardens all the above would and could create jobs and retain all of us here.
108	Hemp production for pulp, Celgar able to process hemp?
109	Dinner restaurant
110	Attract a large business central to all our neighbors eg. Costco
111	Bulk foods. I buy my bulk foods ( flours,sugars,teas,in Nelson. I would rather shop in Salmo.
112	more restaurants, cafes, somewhere to listen to live music without out it being the pub
113	have a trade fair
114	Pot stores, it is now Legal
115	Something to do with water
116	Make it easier with the zoning rules
117	Amend different bilaws
118	Create a vision of what the town should look like
119	Make sure it is easy to get started with permits and paper work
120	don't make it too difficult to get permits, etc.

121	Have an economic development officer.
122	Make licenses easy and affordable - I think a lot of businesses struggle enough with lower numbers of potential customers and pricing, compared to say Nelson.
123	Show a need for a specific business
124	Allow more small business like food trucks operate
125	Policy
126	encouraging outreach to businesses in other areas
127	Support local housing growth, bring the people they will build the businesses
128	increase affordable housing options
129	bringing as much sustainability to Salmo as possible, food safe program, green technology, protecting our water by banning herbicides and pesticide use in village, becoming known for sustainability
130	Don't put so many roadblocks in the way of the business!
131	Business opportunities
132	Evaluate potential business
133	Design downtown core w parking, multiple services, reliable courier service
134	Extend village limits to include the Shambhala farm, so we can have a large pool of tax \$
135	Policy
136	Plan for business locations close to the Village residences
137	Have a proper chamber of commerce
138	Better Chamber of Commerce
139	Update communications with Chamber of Commerce
140	Business association that is supportive and informative
141	Chamber of Commerce soliciting of Salmo
142	Find a way to support / redirect the chamber of commerce so they truly support the community businesses and economic well being including non-profits that are providing services which may be attractive to potential new businesses eg golf course, trail society etc
143	New faces invited into Chamber. Keep everyone there though!
144	Get a handle on crime
145	Get a handle on the drugs
146	first lately , identify crime
147	Improve housing situation
148	housing
149	More good rentals - housing and commercial.
150	Make it easy for them to start
151	one year tax exemption?
152	Tax breaks
153	Tax breaks etc for environmental companies
154	Incent companies that produce or service renewable energy technologies to locate here -- based on the "Sustainable Salmo" brand.
155	Provide an incentive to businesses to do market research in the area.
156	Manufacturers
157	Offer something other towns don't have
158	Offer help
159	Policy
160	Tax incentives
161	Offer meaningful long term tax incentives.
162	offer tax incentive for 1-2 years
163	Offer tax brakes

164	Encourage local business startups with philanthropic opportunities
165	Subsidize rent for new business
166	Buy already available office/retail space, rent for affordable prices
167	offer limited time tax incentives
168	Look at giving tax breaks, not relief, for the building of a new facility
169	Offer incentives.....reduced taxes for a year?
170	Offer incentives (tax breaks, grants)
171	Land grants to new business that require more than what is available
172	provide incentives
173	Ensure availability of child care
174	low taxes
175	Reasonable fees for vendors that would like participate in fairs etc (July 1)
176	Incent companies able to validate their commitment to sustainable supply chains and production to locate here based on the "Sustainable Salmo" brand.
177	Create a liasion position who is dedicated to assisting businesses that are looking to create/relocate a business that will employ locals (minimum 5 employees?).
178	Offer financial incentives/ first yr tax break
179	Lower costs to operate
180	Provide shared office space
181	More options for different styles of business
182	Encouraging them through the Village by not over taxing.
183	Tax concessions for a few years.
184	Keep the taxes low
185	Perhaps some temporary tax cuts
186	Offer something like Community Futures
187	tax breaks
188	Through taxation
189	Offer incentives for professionals to relocate to the Village area
190	offer incentives
191	increase cooperation with funding bodies and provincial services
192	Connect with existing supports ie: IRAP and bring them to Salmo to work with folks.
193	Upgrade building spaces
194	More infrastructure to allow stores
195	Upgrades to sewer, water, roads
196	upgrade water/sewer
197	fiber optix internet
198	Upgrades to internet
199	Must have high speed internet - businesses need access to information, supply bases etc. Needs to extend outside the Salmo Village area. Many of our entrepreneurs live on the larger properties outside the village.
200	High speed internet
201	Keep it local, have the village support other businesses in town not go elsewhere
202	Shop locally
203	Build office space
204	Affordability
205	upgrade power
206	location
207	Childrens events or activities
208	Childrens events
209	Not sure

210	not sure. It is not a commercial destination point.
211	I really wish I knew.
212	DON'T KNOW
213	Easy building on flat land, if it is available.
214	Find good location
215	Make rentals owned by the village affordable.
216	Grow
217	I wish I knew
218	good question. need to think on that
219	Adopt a section of roadway for picking up garbage
220	Make it a viable place to do business
221	There is alot of open area to grow
222	Then create a gym/fitness center that offers all the extra curricular that we all go elsewhere..like gymnastics, soccer, ballet,
223	camping downtown for motor homes
224	Spray park
225	Spray park
226	Park coordinator
227	Improved park and play area
228	July 1st ball tournamnets, mens fast ball
229	More public parks, public parking places. Open the Salmo Museum
230	Better hiking/climbing/biking

<b>Question #13</b>	
<b>Comment #</b>	<b>What other types of service-related businesses do you see as essential to Salmo that would be of benefit to the community as a whole and further contribute to making Salmo an attractive and sustainable place to live?</b>
1	More subjects available for Grade 12. If going to Nelson continues Grade 13 may be lost.
2	More dinner restaurants
3	Quality childcare!!
4	recreation facilities
5	A general clothing/shoe/craft store for all ages, reasonable prices.
6	CrossFit / group fitness facility
7	We need a local abattoir
8	Full time police coverage
9	Another financial institution, more trades
10	Agriculture, small scale opportunities - Food Hub
11	Licensed childcare
12	more restaurants
13	full service camping
14	Support for shut-ins ie: shopping service, transportation services, programs that connect youth and the elderly.
15	Opportunity to send high school students to other high schools in castlegar trail or Nelson
16	Brewery and a group fitness training facility
17	meat possessor plant
18	Grocery outlet--local, organic, sustainably-produced agricultural products
19	optician
20	Courier depot, electronics recycling

21	Costco...smile...No...a large clothing store/shoe store that services both men and women and children.
22	Please create an equitable and transparent tax and regulatory structures to accommodate business and volunteer groups.
23	Another Doctor so wait times are not 2 months to get in to see one
24	Optometrist, Taxi
25	Home services, mobile businesses
26	A new community hall. More Arts.
27	A regular bus service so people can live here and access other community safety.
28	bakery
29	Software application design and low volume technology product development

<b>Question #14</b>	
<b>Comment #</b>	<b>What additional types of retail businesses do you see as essential to Salmo's future growth that would be/are of benefit to the community as a whole?</b>
1	deli, coffee shop
2	Another Gas station
3	Brewery
4	Bakery
5	these options are outdated. there needs to be a plan in place to support local artists and craft brewers. those are the types of businesses that attract tourists and bring money to communities.
6	Pilates or yoga studio, rock climbing wall year round(in doors) as well as outdoor climbing areas
7	another restaurant, poolroom or games building
8	None
9	Chinese food restaurant
10	visitors center
11	I don't see these as "essential"
12	Our businesses have done a great job of providing variety
13	Lawyer
14	optical , dentist, denture clinic, vet
15	Please create an equitable and transparent tax and regulatory structures to accommodate business and volunteer groups.
16	dollar store
17	Fast food outlets. These provide lots of employment and attract travellers.
18	Restaurants
19	A nice local Fruit and Vegetable Stand and Bakery using local produce and baked goods.
20	Farmers Supply, Garden Centre, London Drugs, Arts
21	Any of above
22	Prices would have to be set to compete with area retailers in larger centres, This has been the downfall of previous businesses.

<b>Question #15</b>	
<b>Comment #</b>	<b>Do you agree or disagree that, if possible, incentives, such as a tax break or grant, should be given to attract new businesses in Salmo?</b>
1	Each business should survive on its own. Subsidize one business over another is unfair.
2	Limited time incentives so that already established local businesses are not carrying a heavier tax load.

3	Only agree of someone living here is also eligible
4	unless it is BIG industry, tax incentives are pointless
5	I'm not sure how fair this is to existing business of the same nature.
6	Depending on what the local business would be
7	Must be determined individually
8	ONLY IF the new business operates according to recognized standards for sustainability-- production, waste management, fair treatment of employees, community engagement
9	Depends on how much it really benefits the community
10	Only if the desire and commitment is above suspicion.
11	Please create an equitable and transparent tax and regulatory structures to accomodate business and volunteer groups.
12	This should be a priority. With conditions that the business employs a minimum number of local people.
13	For a limited time period
14	Yes, but never more than 2-3 years and certainly not based on donations
15	Existing business also
16	If tax breaks are given, they would have to be given to all businesses, because at some time or another they all struggle to keep their doors open.

<b>Question #16</b>	
<b>Comment #</b>	<b>Do you think the Village should endeavour to develop a closer relationship with the Shambhala Festival?</b>
1	A better working together relationship.
2	encourage them to use the business in Salmo, ie post office
3	Talks with Shambhala organizers to learn how Salmo can be involded; limited time shelters made available (in the park-monitored) for early arrivers so they aren't sleeping on residents' back porches.
4	You can not stop it, so maximize your opportunities.
5	They don't give a rats been about Salmo. 100k donation to Nelson vs wood for gazebo and the abilt6to clea up after them. Too mixup secrecy about what really happens
6	if no, why: it has been made very clear that the event is an entity on its own and the time has passed to rebuild that bridge. The question should be; how can Salmo piggy back off the success of the event and what suggestions do you have to increase tourist traffic in salmo during this time? 1) a open air food and vendor market and close one of the streets down to allow these vendors. Charge for the space and take 10% of slaes during the week. Create a cultre in town that celebrates our community and have fun!!
7	Because it brings a lot of money into the community
8	Regardless of how it is viewed. It's more of a Salmo festival. We citizens bare the brunt. I feel as though Salmo has been taken advantage of or we haven't utilized Shambhala full potential to benefit Salmo.
9	Not sure but some kind of collaboration could be beneficial.
10	Murals, flags, marketing
11	maybe a mini market on the highway towards Shambhala before, during and after festival? Ask for a donation from Shambhala towards cleaning up the tailings sites along the river in exchange for advertising?
12	They bring in ALOT of funds and I do not see any od it staying in Salmo
13	Brings money into the community and might encourage Shambhala to contribute more to us!
14	embrace the fact that Salmo is on the map because of Shambhala-Use this as a way to attract tourism into the community

15	Opportunities to work with our secondary students to learn about the business of the festival from the creative aspects to the infrastructure needs.
16	To make money from it :)
17	Offer better services for the those attending. (camping prior to and after the event)
18	Get some money out of them!
19	Not sure to which capacity the village is working with the festival now, but Shambhala is here to stay so the more communication and possible contributions (to our village) the better. There is no doubt that it has a big economic benefit on SOME businesses, while others (and facilities)are strained.
20	possibly a satallite office could be set up in Salmo during peak hiring/staffing times? Otherwise I don't love Shambhala
21	Have an office in Salmo to provide information, tickets, products, support for festival goers before and after the festival
22	Shambhala doesn't offer anything positive to regular Salmo people.
23	Making it easier for people to stay a couple days and recover. Hold a family friendly event at the same time and encourage families to visit.
24	Advertise that music festival goers are welcome in Salmo
25	Shambhala is buying real estate ...why not Salmo
26	Be receptive to Shambhala investing in the community rather than expanding their reach in the Nelson area.
27	To find ways to keep the chaos under control
28	Busiest week of the whole year
29	never been , feel they should be paying more for the incoviences they put the people of this village through
30	Should be reversed. Shambhala should do more for the community it relies so heavily on for resources.
31	A less grudging and opinionated attitude. I have lived here two years via retirement and have NOT found this festival to be a BIG problem. Access to some of the money these folks bring would benefit the village.
32	Please create an equitable and tranparent tax and reguatory structures to accomodate business and volunteer groups.
33	Work with the festival to have them invest in Salmo, like they have in Nelson (purchasing and refurbishing businesses/buildings to create year round employment opportunities.)
34	Maybe. Something needs to be done for after the festival, when people had no accommodation or transportation. Someone is going to get hurt
35	That is a loaded question. People in town have strong feelings on both sides. It benefits the businesses and scares the residents
36	The festival has invested a lot back into Nelson, such as the purchases of the Savoy Hotel and old Co-op building. It would be great, if it was economically advantageous for the festival if they started projects here in Salmo too.
37	This event hurts our village the way it operates now. I do not see Salmo taking advantage of the economic opportunity it could provide. Shut KP Park down for that week, set up a tent city with large tents, porta potties etc. Our own local vendors could set up in a centralized area providing services. A farmers market throughout the event could be open and advertised to them. Coordinate with festival operators to let them know the services are available when people are coming and leaving the event.
38	The funnel all of their money into Nelson rather than Salmo. We are the host town and get none of the good benefits from the festival. Encourage them take part in community centre events and if possible they are opening bars all over the west kootenays. For example the Woods in Castlgar and the Bloom in Nelson

39	Ask them why Nelson gets 100k and Salmo gets things like wood or the ability to volunteer to clean up their recycling debris.
40	There needs to be a little more give on Shambhala's part, they could contribute a lot more to the town to help with things like the swimming pool. A better relationship will make for all around better results.
41	Support them
42	It's a huge annual opportunity to bring revenue into our town. We should have local businesses promote the festival and show how they support the festival. Maybe have motels/hotels promote that if you stay with them you get a discount and you can get into the festival first. Have other local businesses use shambhala labelled memorabilia. And have Salmo businesses up at shambhala each year
43	Shambhala should have their main office in Salmo. Sell tickets, tours, year long store front.
44	Hold pre or post event market, advertise campground
45	Licensed bus service from town to the festival.
46	We have to all work together so...
47	They may open an office here instead of Nelson, having a small music festival prior to Shambhala with them backing it.
48	Possible issue of "Salmo Bucks" vouchers to festival goers for use in the village + Supplement additional arts/crafts/social events leading up to and after the festival.

<b>Question #17</b>	
<b>Comment #</b>	<b>Which of our local natural amenities do you think has the possibility of being further developed (should the owners wish), in an environmentally friendly way, to enhance them further as a year-round or seasonal attraction?</b>
1	Love the mountain bike trails! Would love to see more.
2	splash park at KP. Play structure at Lion's park. Better maintained fields
3	Kept debris clean; information plaques about local history, flora & fauna
4	skatepark - outdoor
5	Leave Pld Growth alone. It is important as it was.
6	Add a water park beside the pool to run with same water system
7	leave spring board park alone, it is a local gem and should not be promoted! it is one thing that should remain for just salmo residents.
8	Water spray park for kids in empty lot beside pool if not the at kp
9	There are many bluffs around Salmo that would make great rock climbing areas. That attracts folks. Also a year round pool would be amazing. A revitalized out door Tennis court and basket ball court.
10	Have some small cottages by ski hill, with hot tubs, close enough people could stay here and still go to other ski areas for a day and still come back here. We have beautiful surroundings we could be developing them.
11	art installations on the trails with different themes
12	Spray park at KP Park
13	KP park needs new bathroom and concession facilities. However, they should remain at their present site
14	Railway Ave could be developed into a full service RV Park to draw tourists
15	Community Centre could be added on to- possibly sauna/steam area- in conjunction with the pool as well some of the development ( for example the golf course could be with public relations, advertising and accessing more grants)
16	Roof over skating rink
17	Yearly maintenance, parking

18	Develop dyke into a trail network and create connections with other existing trail areas and parks
19	The pool
20	Please keep the focus off combustion-engine-based activities!
21	I think the ski hill has the potential to bring in people from other communities as it is the only night skiing around.
22	XC trails
23	Cross country skiing at golf course
24	A bigger ski hill as most of the good snow starts at tower 6. This would make for a longer season and more people to ski.
25	fishing oportunities
26	The rail trail needs grading and rock removal for better access for equestrians and cyclists.
27	And this marvelous Salmo river offers possibilites.
28	Village streets need work. Snow removal is pitiful. Get recycling bins away from rec areas please...this is the most ridiculous thing I have ever seen.
29	Leave the old growth alone. It is not beneficial to "enhance" nature.
30	The golf course should be operating and bringing in income year round. It would be great to see a skating rink with a fire pit in the middle, cross country skiing and a concession selling hot chocolate and other snacks. It's a great place for events, any time of year!
31	A water park for kids.
32	I think our rivers could be modified slightly to have a tubing attraction during the summer. Our ATV trails should be getting expanded and looked after, rather than shut down
33	Make public access to Salmo River that does not encroach on private property
34	X country skiing (ESP golf course)
35	Groomed xcounrty skiing
36	Have a way to get you bike to the top of the mountain to ride down different trails, GNRT - a business where there are tours for ATV enthusiasts, KP music festival, Lions work towards concreteing the skating rink so it can be used for road hockey, roller blading
37	Eco/environmental courses for students in the nearby forests, streams and ALR properties.

<b>Question #18</b>	
<b>Comment #</b>	<b>What types of businesses would you like to see the Village encourage, working with the RDCK, in the part of Area G within the 15 kilometer area immediately surrounding the Village?</b>
1	Area G supports Salmo by taxation as a whole. Reducing the area to 15km will only reduce the amount they are now helping to pay for.
2	Independently run businesses - no big box stores please!!
3	microbrewery, indoor sport facilities, kids activity centre
4	BCSPCA, comprehensive recycling centre, Tourist Information Booth and gift shop, Mini-golf and small café, a building erected with room for a wide variety of artisans to ply their trades and sell products, craft beer business.
5	Cannabis retail
6	Manufacturing and agriculture/animal husbandry
7	Keep new business in Salmo, helps keep our personal taxes down, don't give it to the rdck
8	Big brand grocery store, cannabis greenhouses, fruit and produce related farms
9	Be flexible with bylaws and restrictions in this area to allow residents to earn a living from their properties. Small manufacturing operations ie. wood working, furniture manufacturing, cannabis cultivation etc

10	more local farming tourism and create a farm to table, grape to glass industry that supports local farmers while contributing to the food sustainability of the communities.
11	More grocery stores with variety and up to date facilities...perhaps a co-op.
12	auto services, vehicle storage, B&B, biking trails
13	Plant nursery and greenhouses. Hemp production.
14	Farmers market - taste of the Kootenays at Salmo
15	unmotorized or electric recreation, growing marijuana for medicinal & recreational purposes, money to be made there, and growing hemp to replace the wood in pulp mills. Food safe program, planting orchards of nut trees for the community, ways we could all grow food and share it
16	Cannabis
17	small scale agriculture
18	small farms, facility which uses animals (horses) for educational and training purposes
19	green houses, manufacturing, cannabis related industry
20	Micro brewery, cannabis growing operation?, laundromat, call centre, post-secondary education facilities.
21	Micro brewery
22	Anything that can be good economically (job creation) and also environmentally responsible.
23	Cannabis production/farms, restaurants, retail shops.
24	Recreational Cannabis, tourism businesses- retail stores for recreation activities - skiing, mountain biking, bmx racing, trail hiking supplies
25	Brewery Group Fitness Training Facility
26	Large store like Costco to service entire region
27	Pot stores
28	Not sure
29	animal services, veterinarians
30	Recreational (travel/tourism)
31	Light industrial, warehouse and distributors,
32	Cannabis store Department store Laundry
33	Environmental recreation
34	Laundry mat
35	Horse trail riding. Hemp production (Castlegar pulp products able to take Hemp into its production?) Tree and Plant nursery.
36	Dentist Lawyer Veterinary Services
37	Business and services that contribute to the move toward renewable energy and sustainable supply chains and production
38	No preference
39	Anything that is wanted and needed by citizens of Salmo and trading area
40	Mining.
41	Some kind of manufacturing that would create local jobs
42	Retail Cannabis store

43	Trails for hiking, cycling, and camping
44	Retail
45	Retail, vet, cannabis, craft/art and recreational vehicle
46	Resturants
47	NOT SURE
48	airport would be nice to upgrade , with golfport being extremely different
49	Cannabis facility
50	Mining, natural resources, tourist/sports areas
51	Any business that respects care of the environment.....and that includes mining, forestry related endeavors...anything that offers jobs, benefits, is decently paid...bring it on. Now. With due care and attention they are all favourable.
52	Please create an equitable and transparent tax and reguatory structures to accommodate business and volunteer groups without favourtism.
53	Any new businesses that can contribute economic growth should be encouraged.
54	Anything that will benefit or enhance salmo and area
55	Agricultural, such as greenhouses, cannabis co-op.
56	More cafes, shops, auto services
57	Anything that would bring jobs or people to the area, yet not something that would harm the environment, like a pulp mill or something
58	How to clear snow consulting firm he he
59	Any new business is beneficial for growth. I don't disagree with commercial marijuana production if it will create jobs. Perhaps other outdoor tours, etc.
60	Technology manufacturing plant (think big!) Green industries. Small sawmills.
61	Cannabis Shops
62	Specialty grocery store, landscaping/yard maintenance
63	Small manufacturing or a cooperative workspace to share for smaller businesses
64	Anything, even heavy industry can be environmentally sensitive these days
65	Definitely need another restaurant, Bakery, Deli, Disc Golf Course, Oil change bay, General/Department Store
66	Something greenish
67	Logging, nursery or greenery, Drive-in movie
68	I would like to see a larger farmers market or a local fruit, vegetable and bakery stand. This would help the local farmers sell there produce.
69	stores
70	A Plaza
71	Dont know
72	Large recreational facility at the ski hill offering year round activity such as a chair up the mountain with giant slide in summer, skiing and other winter sports in winter.
73	A department like store Maybe another fast food type restaurant
74	Bring back the radio station! And focus on outdoor industry
75	Produce farming
76	Cannabis (HUGE OPPORTUNITIES)
77	Immediately I would like to see a Cannabis outlet
78	Micro brewery, farm/food stands

79	Local food growing in ALR valley areas (in house in winter) Software/Technology businesses Alternative energy and efficiency contractors
	<b>Question 19 - no comments</b>
	<b>Question #20</b>
<b>Comment #</b>	<b>What type of business is your Salmo home-based business?</b>
1	Photography
2	farm
3	None
4	Accommodation
5	Retail
6	Sell baked goods at the Farmers Market
7	Farming, Trucking

	<b>Question #21</b>
<b>Comment #</b>	<b>Do you have any suggestions on how your home-based business could be better supported by the Village?</b>
1	not sure this is the villages job, but maybe by supporting any events the small businesses put on with advertising
2	no
3	Cleaner streets ( snow plowed so you can drive or walk safely, and see around corners.) More visible corner garbage and recycling bins. Big signage of business listings offered in Salmo (reasons to stay put.)
4	nope
5	No
6	Not of the top of my head.
7	Small engine mechanic
8	Lower water & sewer taxes for the motel. The proportion of tax compared to a residential property is out of line percentage wise, and ridiculously high. When you compare the percentages to any community in BC that isn't metered, Salmo is extremely high.
9	More options to sell my products
10	Sure.... you could use our services once in a while... snow plowing, bobcat, hauling, heavy equipment. Instead of the same crew over and over. We all live here and would like to help.
	<b>Questions 22 &amp; 23 - no comments</b>
	<b>Question #24</b>
<b>Comment #</b>	<b>The majority of Salmo is currently zoned Residential Low Density (areas designated R-1, R-2 and RR-1 in Zoning bylaw 489). If appropriate, should portions of these areas be re-classified to medium density to allow more flexibility for housing options?</b>
1	I'd rather see denser living accommodations in the village than all that available land grabbed up and developed. Still lots of great farm land left in our valley and would like to see that land stay available for agriculture or wildlife corridors
2	Allowing for too much growth will take away from the appeal of our small town.
3	Reinterating "if appropriate".
4	Renting in Salmo is a real issue. We need more opportunities for renters as well as different options for purchasers ie. townhouse units.

5	rename JAP mountain!! it is extremely inscensitive and rascist
6	Change racist name of Jap Mountain. Salmo is better than this.
7	So long as it doesn't get out of hand!
8	Near the downtown core
9	Would prefer moderate densification in town to sprawl.
10	I think salmons zoning needs to be looked at. Not all property ls zoned correctly.
11	no islam muslims
12	as long as it does not effect our taxes or inter fear with the home owners right to choose how to use their property
13	Of course...either choke and die...or increase your population but with intelligence, foresight and a commitment to keeping a healthy balance.
14	Should be primarily within walking distance to the downtown core
15	As long as there are no more trailer parks (small house park would be great)
16	What exactly is "medium density"? Do I want townhouses accross the street or beside me? I think not.
17	Decent Low cost housing needs to be improved.
18	Are we seriously still using a derogatory term in official documents?
19	We need a wider variety of housing options.
20	In today's building economy its cheaper to build and thus own homes that are built simultaneously and close together. This also encourages close community values.
	<b>Question 25 - no comments</b>
	<b>Question #26</b>
<b>Comment #</b>	<b>Rural development limits residential lot sizes to a minimum of 19.77 acres (8 hectares). Do you support the possibility of reclassifying these areas to (choose one)? [Example: A 60 ft. x 120 ft. lot = approximately 1/8 acre]</b>
1	Tiny homes
2	uncertain
3	Don't understand the question
4	I don't know
5	Not a fan off cutting up the remaining farm land. I believe it is more valuable as that, and it will attract people for that.
6	no change if people want small lots then live in the city
7	do not support
8	Although, to be honest, I'm not really familiar with the context of the question
9	Forced me to tick a box to move on. I Don't have enough information to answer this one. Not clear where in the village this would apply
10	Survey app requires a response; however, I am not qualified to comment.
11	no muslims hate
12	we still need to be able to keep our greenspace , this is what keeps Salmo, unique
13	who really needs 19.77 acres to live on other than for some kind of agricultural, business related endeavour. Free up the land to help others to have possibilites.
14	I have no opinion on this as I need more information
15	Not sure, need to do. More research
16	N/a
17	Undecided
18	The bigger it stays the better I don't think this should change I like that the surrounding is potential farm land
	<b>Questions 27, 28, 29, 30, 31, 32 - no comments</b>

Question #33	
Comment #	Do you want to see more mobile home parks in the village?
1	if in an area by itself
2	Personal preference is to have mobile home parks on village perimeter.
3	I think we have enough
4	We have enough and they need updates
5	traditionally these types of dwellings are not cared for or kept up in Salmo. They are a waste of large land space. why not utilize less land and create tiny home parks?
6	It doesn't matter as long as they are well kept and enjoyable to the eye.
7	Not unless the starts looks after the grounds.
8	we have enough I think but maybe we need more?
9	No continuing value
10	Because a mobile home is all that some people can afford to buy or rent. However!! they must be regulated so they don't turn into drug havens!
11	Mobile home parks, although providing much-needed housing, tend to become run down because they are not properly maintained. If kept up properly, I would not be opposed, however this is usually not the case.
12	Unfortunately, mobile home parks have a less than stellar reputation and tend to go down hill which degrades the community as a whole
13	affordable housing
14	There are so many around. They can be a real eyesore and often (not always) attract less favorable short term tennants that are not held to the same vetting or care by landlords. There is already a huge theft and addiction problem in the town and I feel that mobile homes offer these types of renters more oppertunities vs an actual home where landlords will vet their prospective tennants more carfeully). Better tennants = better community. Just have to say I have no problem with people battling addictions per say; my comment was in regards to a certain type who are also theiving (not neecesssarily due to addiction at all).
15	They tend to be unattractive and under kept.
16	low income folks would have more access to housin
17	Salmo already has many mobile home parks, and this is not what attracts people who want to spend money in our community. I think they are an eye sore and are rarely well taken care of.
18	I think we already have enough
19	probably not the best use of space, and they seem to lack bylaws and could end up looking dumpy
20	I feel there are enough MH Parks in town
21	Too hard for landlords to ensure the upkeep and appearance
22	Feel like MHPs exclude the residents from the larger community instead of include
23	I believe this will bring the property value down
24	These structures are not built to withstand climate instability and extremes.
25	We have enough, and rent is just as high as a house. And most mobile home parks not looked after. Let zone for rentals no mobile home parks
26	no islam hate
27	Have enough
28	To supply affordable housing.
29	They just do not look good
30	We have enough
31	People need affordable housing
32	They detract from the beauty of town.

33	currently we have very little vacancy rates, I live in a mobile home park , and love the setting , I would not want a smaller lot size
34	They don't look well for the village
35	If existing parks are full
36	Yes, if well maintained and allowed fair access for people of all socio economic classes. Limits on rental and other fees should be made, or subsidies provided for those who cannot afford the fees created by the private owners.
37	Would rather see if other initiatives solve the rental issue
38	I feel that there are already numerous mobile home parks within Village limits.
39	The lifetime of a mobile home is less than other housing. Mobile homes tend to get run-down.
40	Attracts too many low income individuals many of them drug addicts
41	Appears to be a fair number already
42	They at this time have no rules for keeping the premises neat.
43	I believe there is more than an adequate supply. Salmo may become to be known as Trailer trash if we incorporate this too much
44	Enough poor quality ones already. Slum lords rule them.
45	If they tend to look anything like the current ones it's an eye sore at time
46	I think the density versus usage requirements (water, sewage) is currently not workable
47	Many people can't possibly afford to buy a house but a mobile home may be in reach. Provided the lot rent isn't too high, it's a very affordable alternative to owning a home.
48	We currently have enough mobile home parks in Salmo
49	Mostly unsightly
50	Salmo has several in the area and many of them are eye sores.
51	There are enough
52	It is a good route for senior living; lower or disability income, promotes another business and increases our population.
53	Great value
54	Not unless bylaw regulations are put in place to ensure maintenance, and address the unpaid taxation and utility issues.
55	There are already a lot of mobile home parks in salmo and surrounding areas. They are an eyesore
56	There are enough at the moment, and some are poorly maintained.
57	There's better affordable housing options. There's already enough trailer parks
58	This is housing that young people can afford to make their start in life.
59	I would prefer solid structures
60	Low cost smaller homes on lots are comparable in costs to ownership options
	<b>Question #34</b>
<b>Comment #</b>	<b>What do you think makes Salmo unique?</b>
1	walking paths , family friendly , sense of community
2	Accessible, quiet, local amenities and the access to the outdoors as well as our murals.
3	Having our own pool and ski hill and curling rink. Our volunteers make the town unique
4	For a small village there are a lot of amenities , ski hill, golf, curling etc
5	For a small Village, Salmo has a wide variety of accessible services within, or very close to the Village. Salmo's 1/2 hour commute between Nelson, Castlegar and Trail makes it an accessible community for those working in those towns.
6	Rural beauty, small town with access to larger city's easily

7	Surrounding mountains and park-like setting. Strong community and community involvement in library, community support and volunteerism for ski hill, golf course, pool, school activities. Quiet residential areas.
8	beautiful lawns flowers etc.
9	Its various terrian
10	clean
11	Community feel, access to outdoor activities
12	It's sense of community, it's a central place where it takes 20-40 minutes to get to any of the surrounding towns in the west Kootenays and it's quiet
13	I believe it's the community. The amazing volunteers. When something needs done we just make it happen. We always come together and do what we can for our community
14	The spirit of community and volunteering which pulls people together and makes them a vibrant, caring society.
15	Community
16	the community
17	Watch the video from a few years ago says it all.
18	How sunny and flat it is. It's very own affordable ski hill with night skiing. And an out door rink. ( we should have winter skating hockey festivals).
19	The junction of the vallees, being flat and therefore able to ride or walk everywhere
20	It's flat, has great water and a great location in the Kootenay's as it is close to several other great towns, but is affordable.
21	The history
22	History, mining, bring it back!!!
23	Location - all roads lead to Salmo. The heart of the Kootenays. Four season playground. The schools.
24	cost effective, quiet and central
25	Location and amenities.
26	It is central to all 3 major cities. It is beautiful and has many amenities for a small town. It is optimal position to be supported by local cities if we have businesses that they do not.
27	Location and community spirit.
28	Clean environment. Location in kootnays is good for future development.
29	Salmo is the center of the west Kootenay. Equal distance from Trail, Castlegar and Nelson. It is the first/last stop before/after Kootenay Pass. The scenery is unbeatable and with a little clean up of some properties off the highway would be a very appealing stop for tourists. Salmo has the absolute best Canada day in particular the fireworks. Close knit caring community.
30	Location, large flat valley bottom.
31	Location, people, lifestyle
32	Its small town appeal and closeness to 3 other towns
33	Central location - small town feel
34	Location, demographics, scenery, long history of family's and volunteerism
35	Central location, wide valley, easily accessible
36	location
37	We have an opportunity to make our village a great place for people all over the area to live. We are very centrally located - 30 minutes to the larger communities around us.
38	its location
39	location location location
40	Location

41	location
42	So close to all other town.
43	We are central to all other communities
44	Centrally located Hub of kootenays
45	We have everything with in a short drive either way, variety.
46	The area we live in.
47	It's location
48	location
49	It's location. Close to Nelson, Castlegar, Trail all are about 30 minute drive and the USA border.
50	Location
51	Location
52	The large Penny, and the Mountain Sheep Statue
53	Potential for economic growth and healthy community lifestyles.
54	1. Committed and progressive village administration 2. Variety and quality of the outdoor experience
55	Lots of space, large lots
56	Stone murals, wide streets, KP Park, ski hill
57	The murals, the people are so helpful and kind, it's a tiny town surrounded by easy to get to small cities making everything you need within reach.
58	The people, the amount of time children spend outdoors; this is due to the amount of affordable, easily assessable outdoor activities. Also, the ski hill, golf course, skating rink, and swimming pool which are in biking distance of town and affordable for most people to use.
59	Its people. And we have a very interesting history. We are a diverse population and are, for the most part, very welcoming
60	The unique people that choose to live here and their passion for the community
61	Eclectic mix of people
62	The people
63	People
64	The people
65	people
66	The people and its past and its future....trying to encourage more people to move here is a challenge.....housing is number one
67	It is still very close knit, it is not too commercial yet
68	THE PEOPLE
69	Iris Bakken
70	The people
71	The people
72	Friendly people
73	people
74	The people that live here,
75	Immediate access to outdoor recreation, amazing number of high quality services, intelligent residents who make things happen
76	All of the many low cost activities available for families
77	Our robust quantity of natural resources and how easily we can get outdoors into the wilderness
78	It's a safe place where children can become more independent earlier.
79	Small town community with a whole bunch of amazing programs/activities/facilities and energetic passionate staff and volunteers. Work-life balance!

80	Small town living with lots of amenities.
81	Small town with lots of amenities significant with much larger centers
82	It is quiet. People seem to know each other. You can bike anywhere. People come out from Nelson to ride their bikes here and the community has an abundance of volunteers to make this town thrive.
83	Small town living with a large number of services.
84	Quite, safe, lifestyle.
85	It's small town but big feeling
86	Because it is "SloMo" but children need a place like this to grow up in....Salmo does not have the conceit that Nelson has but it has a funkiness that Nelson has lost. Move forward with discipline.
87	Small friendly town
88	It's sunny salmo, it's great volunteer base community we have an awesome library
89	That most of our amenities are run by non profit organizations, the volunteers are amazing!
90	Our volunteers
91	The level of volunteer run and driven services
92	Volunteers run almos everything
93	The volunteers in the community
94	That every board in Salmo is a working board. We all work towards keeping living down and have as many things possible to do
95	The fresh water and green environment (no commercial business like Teck or Celgar)
96	good water
97	Water
98	.
99	?
100	not much currently
<b>Question #35</b>	
<b>Comment #</b>	<b>What do you think could be done to make Salmo more attractive to residents and visitors?</b>
1	Water restrictions only if necessary. Dry lawns only increase fire hazard. Recent fires in communities prove this.
2	Allow golf carts and atvs in town
3	More businesses and special events
4	more restaurants or cafes
5	More community based events. Regular basis.
6	Fresh paint, flower gardens/containers about town, vacant lot clean up, park like areas maintained, incentives for business/home owners to clean up messy fronts and yards.
7	safer at night
8	More retail stores downtown
9	Stop officially using the term Jap Mountain. We are not bigots, are we?
10	Street lights on Main Street, take down the banners on the highway, keep up the good work along the entrances, clean up the signage
11	Large name grocery store ( a lot of people do their grocery shopping in trail and Nelson )  Fix up the salmo hotel - for example: the Kaslo hotel, the Hume hotel. These buildings have been kept up over the years and attract people do their historic value

12	Beautify the main streets of the village.. maybe utilize the area where the old railway station is to make a walking or rust area for visitors. Perhaps seasonal retail stands- for example, an ice cream stand or hot dog stand would encourage visitors to stay for a bit and walk the rest of the village.
13	a culture that is open and accepting for everyone, not just long term residents
14	Update the curb appeal
15	More flowers
16	Have more than the main drag lighted up at night. Have an architect artist visit and give Salmo an updated twist of a makeover of our old rundown minor logging days persona. Maybe a drive in Theatre. Restore the old railway as a museum of beauty/walk about. More large blooming trees along the main streets creating curb appeal.
17	More stores, more tourist attractions (hiking trails, biking trails, mine tours) history.
18	Avtivities to bring people to town especially in the evenings.
19	updating of some buildings.
20	A positive PR promotion starting with the schools.
21	something to do at night time for all ages, cafe with live music, somewhere to dance and have talent nights. More variety of cafes and restuarants
22	Clean up the run down houses and businesses. Enforce bylaws to clean up yards etc.
23	culture and agriculture. West Kootenay can be the compliment of regions like Naramata, but with cannabis
24	Fix up commercial buildings
25	Roads need repaved.
26	More diversity in our shops and eating places. And more things to do, especially in the summer. Let's make more use of our KP park!
27	Side walks and developing Railway Ave
28	More choices for restaurants and connection to tour operators in the region.
29	More of the suggestions that have been made in the above questions
30	Cleaning up unsightly properties, road improvements (i.e. paving)
31	keep it kept up with greenery and make it inviting to stop and sit down
32	Clean up the town a bit - buildings (paint/signs/etc), recycling bins and dumping (cameras? Fines?). Be careful with additional housing that landlords are responsible to find GOOD tenants, good community members as opposed to short term rentals with absentee landlords that have no idea if their tenants are thieving/trashing in the community.
33	Facelift of the buildings in town. Make it look a little nicer. New buildings with new businesses and new housing will attract more young people who cannot afford in surrounding areas.
34	more housing and employment
35	Grants to help current businesses get a facelift on their storefronts and encouraging new businesses to open
36	More things to do here
37	Beautify the village
38	Rebrand Salmo I'm new to Salmo and other areas of the kootneys seem to think Salmo is a lawless dump wth less than desirable people,they couldn't be more wrong, Salmo is a jem in the rough
39	Post secondary school options, regular bus service
40	more business
41	More retail stores. More employment options. A micro brewery would be amazing!
42	Beautiful signage on all downtown area and highway corners, directing people to all locations

43	Core funding for volunteer run and delivered services so they can be more sustainable and strategic
44	Maintain environment!
45	More restaurants
46	Insist that homes display attractive or at least some curbside appeal. Fine owners who hoard garbage or refuse to tidy up their properties. (many are disgraceful) Remove the recycling area (which is a dumping ground of unacceptable debris) and replace with curb side recycling. Discourage Cannabis and "grow shows" ...We have enough drug addicts and abusers in our town to begin with. Form a Neighbourhood Watch....or have main areas in the village monitored for illegal activity.
47	Fulfill the implicit demand of the village brand -- Sustainable Salmo.
48	Benches along main drag, make visitor want to stop and look around. Right now people just drive by it's not inviting when driving by.
49	Advertise
50	Build some homes/condos/apartments for people to live here and then encourage business
51	I wish I new, but more employment would help.
52	Beautification. Pride in ownership. Make drive-thrus want to stop to experience the "feel" of the town. Encourage businesses that are not just utilitarian.
53	More signage, brochures (that include ALL business and amenities)
54	Put the weekly farmers market back to location on highway where it was before. More visible. More people come
55	Nice places to camp and support festivities, not just wanna be hippy festivals
56	More businesses
57	Affordable rentals, more recreation...movie theatre?
58	Promote outdoor accessibility, update cosmetics of downtown, target younger market, more draw to Community, be it events or retail
59	less travel outside the village , for shopping , dental , vision care , vet care , hospital tests
60	Keeps the prices of land cheap and affordable the rest will work itself out as Nelson Castlegar and trail continue to become more expensive
61	REASON NOT PC ENOUGH
62	Painting of buildings down town area Someplaces are shabby looking.
63	Revamp downtown store fronts, make public spaces more visually appealing.
64	the open skies, the river, the trees, the kootenay feel.
65	An equitable and transparent tax and reguatory structures to accommodate business and volunteer groups without favouritism.
66	When I bought my home in Salmo 1.5 years ago, I honestly didn't know much about the community at all. The longer I live here, the more happy I am with what Salmo has to offer. I think encouraging new business to fill the vacant commercial spaces and promoting amenities available would make Salmo more attractive.
67	More unique stores and eateries
68	Better roads and sidewalks. Drainage ditches on road ways. Encourage homeowners to paint and tidy up yards.
69	Get owners to clean up their businesses, ensuring run down houses are dealt with
70	Improved yard maintenance
71	More businesses.
72	Have some proper snow removal plan in place and make the taxes more reasonable as we pay more for water sewage and garbage than Trail and Castlegar and the amenities are all run by volunteers.
73	Too many liquor stores. Lower taxes. Crime prevention program.

74	Partnering with bigger bc organizations such as tourism
75	Enforce the Bylaws on people's yards to many people have a huge mess and it's gross (Austin Anderson)
76	more rentals
77	It's pretty darned attractive here already.
78	More businesses! For a person driving down Main, there are a few business clustered together in 2 blocks. Their appearance is not attractive to visitors, an example is Salmo Foods. The windows are piled up with products, they need a good clean, etc. It's just not attractive from the outside at all. Salmo could be a place where people come to from the surrounding towns, rather than us going to them. If they can spend an afternoon, find unique products/gifts, enjoy a family meal that is affordable, perhaps an indoor flea market, it could be a weekly destination for many. Salmo needs more personality, maybe gas lamps on the streets, something to make it an attractive place to go relax, see unique things, enjoy good food and keep coming back.
79	Improve the image of the community in the media
80	By-laws regulating unsightly or unkempt properties. The removal of pop-up canopies in the front of the properties, at least use Fruitvale's by-laws to remove them by a certain date in the spring and used for winter storage only. Beautifying the downtown core and all park areas(removal of current recycling depot) to an out of village fenced and surveillance's site
81	The area across from the Drangonfly Cafe is a real eye sore. Making Salmo look like a poor community.
82	The landlords in town could be a little more discerning regarding their tenants. There is more to renting properties than money. The rash of thefts lately (not limited to Salmo) should be a wake-up call if we want to maintain the family friendly atmosphere of our town.
83	Having more businesses available to everyone. And having more land opened up for development
84	More Historical buildings upkept. Arts. Senior living. Recreation for all ages.
85	Nicer looking
86	Better bus service
87	More stores and cafes, general beautification.
88	get with rdck and clean up trailer park on east side of 600 block of cedar ave
89	Fixing the streets. Cracking down on the physical state of people's houses, example not having garbage in front yards, siding falling off houses etc
90	Some of the approaches to the village are very discouraging ~ old vehicles, ramshackle buildings. Not a very nice first impression ~ wouldn't make me want to stop in town.
91	I think it's good and doesn't need to change much
92	Festivals Arts programming
93	The entrance from Highway 3 onto Highway 6. The land on both sides of the highway are not attractive
94	Grow!
95	Promotion and marketing of the lifestyles. Identifying potentials and incentives for residents and visitors. Non prioritizing of crime/nuisance and local problems - just deal with them.

Question #36	
Comment #	Any last comments?
1	Glad that salmo is growing but let's be sure to preserve what makes it great - that natural beauty! The more we protect our rivers and mountains and parks and open spaces, the better place it will be to live
2	Ensuring to focus on the young families moving to town with young kids is a strong point. There is alot of focus on seniors and it would be nice to see that type of focus put into the children and families of the community as well as different clubs and activities that they use and support.
3	Love living in this town and look forward to exciting improvements in the future!
4	Well done. Here's to the future.
5	Thanks for asking
6	Question 28 should only happen with neighbours approval. Thank you for getting community input!
7	Change the name of " Jap " Mountain. □  Support your local electrical company by not allowing large companies such as mar tech, power tech etc to bid on jobs as they are not likely to spend their money in Salmo
8	salmo could be so much greater is we had kept the momentum of moving forward and thinking outside the box. our previous CAO was a forward thinker who had her pulse on what is attractive for tourists and had her pulse on how to push out community forward. she was initiating a culture that was welcoming to EVERYONE, new and old. She made our community feel welcoming and exciting. There were some amazing initiatives and projects that were int he works, I hope that momentum continues.
9	No
10	I feel we need to really utilize Shambhala to generate money for our town. To create fitness programs(any extra curricular activities) for young and old within town to keep people from investing their money outside town. To update Salmos old dreary appearance. Before any Cannibas stores open up I'd prefer to see proper 24 hour coverage of the RCMP here for Salmo residences.
11	No
12	Love Salmo!
13	Sustainability- preserving and strengthening the land, air and water so that we may benefit financially through conscious business choices without choosing profit over health of the environment.
14	All small-scale agriculture will increase our sustainability for the long term. Thanks.
15	A little upsetting that nowhere in this survey was pur childcare center mentioned if we did not have them and their services Salmo would not be what it is. A large percentage of families use or have used the center so the parents can work in our town or work in surrounding towns but choose to live here and spend their money here because of what Salmo offers.
16	Salmo is a great place to raise children and we need to keep it that way. Keep our schools here and encourage our young people to come back when they have completed their education.
17	We need a full hook up Rv park to help support tourism.
18	There wasn't an option for I don't know and I didn't understand some of the questions enough to offer an opinion.
19	no muslim terrorists

20	Salmo is attractive because of many things, but affordability ranks very high. We need to be careful who we do give our available housing to, as these people become part of our community. I am not into public shaming, and believe everyone deserves help/understanding/a chance, but we have a real dark side to the town with thieving and that concerns me.
21	None.
22	it is 2019 and I think we could make an effort to no longer refer to 'Jap' mountain- just 'the' mountain works? Especially in official village literature.
23	I think the key in this case is targeting young people. Many young families are looking to move here as it is central and quiet, but we need a few more things to make our town complete; a nice restaurant, a brewery and a group fitness training facility (as I have already mentioned). This was a great survey! Thanks for doing this
24	We are so lucky here. With a little beautification eg. Kimberley we would be the envy of the kootenays
25	Go Salmo Go! It's a great place already and could be even greater!
26	I ♥ Salmo
27	The sustainability and potential growth of the Salmo Children's Centre is one of the best assurances for economic growth in Salmo. Currently, over 100 children a year use the Centre while their parents go to work in Salmo and the surrounding communities
28	Too many of the questions had no option for 'under certain circumstances' or maybe. With such broad and general questions providing a yes/no response felt inappropriate at times. Would be helpful to provide the zoning map in the survey so people could visualize where the different densities could be. The verbal description was tough to follow
29	Community garden producing food and employing permaculture techniques. On lots near Esso and liquor store. Garden boxes could be used instead on digging down to prevent contamination. Growing up!  Proper bear protection needed first!
30	Curfew for residents that have extensive records for break and enter, mischief, and acts of violence.
31	Please maintain an acute and comprehensive stewardship of the village, its peaceful quality of life and its nature within and without village boundaries.
32	Salmo is great! Please look at rezoning correctly, for resale of some properties in Salmo.
33	no hate from islamic muslim terrorists
34	Great survey....cant wait to see the results
35	Good luck.
36	Deal with the reality/impression of rampant property crime.
37	Salmo is a great place to live I just wish it didn't feel so divided.
38	would be nice if we could grow without the influences of the big city feel
39	Nope thanks for the survey
40	NOPE
41	No
42	I have always loved Salmo with open eyes, I know the problems, but gawd so much potential here...
43	Thanks for the survey!
44	I am so happy I bought here! I love the strong sense of community that Salmo has.
45	The village is making great progress. Some new sidewalks have been made, road lines re-painted. Work on waste water treatment done, pedestrian bridge. Many positives. Keep up the good work.

46	Please don't bring in any large manufacturers such as Teck or Celgar - they will ruin our environment and clean air!!
47	Get the snow removal plan looked at !!!!!
48	Salmo in my opinion is a very noisy village. Not peaceful at all.
49	A micro brewery and cannabis store would greatly increase the appeal to out of towners
50	Seriously, learn the bigoted history of "Jap" Mountain and stop using the term. Barb Myers owned the property and renamed it Niji Mountain years ago. And, truth be told, the bigotry isn't even correct. It was mostly Chinese there. We are better than this, I hope.
51	I really enjoyed this survey, it's good to know that we are striving to make this town the best it can be!
52	Good luck☐
53	I love Salmo and it's location and property values make it a great place for young families to start a life in with close proximity to larger communities to find work if none is in Salmo.
54	I'm thinking that Salmo needs to step up and clean up A LOT.... I think better regulations on upkeep of properties is absolutely necessary.
55	No
56	no
57	no
58	Salmo has a lot to offer and this allows people to get involved in their community quickly if wanted. It is a great place to live
59	None
