DESCRIPTION OF THE REQUIREMENT

The Village of Salmo is looking to contract a local contractor to build a fenced enclosure with roof around the back-up generator for the Village well located in Lion's Park. Interested proponents that are qualified to supply and complete this scope of work are welcome to participate in this request for quotation process.

DESCRIPTION OF THE REQUIRED WORK TO BE COMPLETED

To construct a small, fenced enclosure around the well's back-up generator. The enclosed structure will measure approximately 8 feet wide by 18 feet long by 8 feet tall. It will require a sloped tin roof, chain link fence walls, a concrete base and a lockable gated entry access on one side. All aspects of the quotation are to be included in the proposal cost including labour, supplies, installation and required permits and drawing. Bids must also detail all aspects of the work and supplies required.

SITE VISIT

There will be a site visit to inspect the scope of work with the Civic Works foreman on Wednesday September 29th, 2021, at 1:00pm at the Glendale Well located in Lion's Park located at 1017 Glendale Avenue.

TIMELINE

The deadline for this project to be complete is of December 15th, 2021.
