

The Corporation of the Village of Salmo

REGULAR MEETING #10-22 MINUTES

Minutes of the Regular Meeting of the Council of the Village of Salmo held in Council Chambers at 423 Davies Avenue in Salmo, B.C. on Tuesday, May 24, 2022 at 7:00 p.m.

PRESENT:

In Person:

Mayor Diana Lockwood
Councillor Jennifer Endersby
Councillor Jonathon Heatlie
Councillor Jacquie Huser

Councillor Farrell Segall
CAO Anne Williams
Members of the Public - 1

Electronically:

Issac Maxfield

CALL TO ORDER:

Mayor Lockwood called the meeting to order at 7:00 p.m.

AGENDA:

R1-10-22

Moved and seconded, that the draft agenda of Regular Meeting #10-22 of Tuesday, May 24, 2022 be adopted as amended from *Council Procedure Bylaw #663, 2014* Schedule "B" to include a New Business section and a Public Question period.

Carried.

DELEGATIONS

Kalso infoNet Society

Issac Maxfield from the Kalso infoNet Society gave a presentation regarding their non-profit organization providing fibre optic broadband to Kaslo and Area D, including how much more cost effective it can be for customers than Telus. They hope to expand to Salmo. He overview included the following points:

- They are a non-profit and currently have 6 employees. They will bring on more as needed and hope to be area specific (in order to employ locals) as they expand. Hoping to bring on 3,000 to 4,000 subscribers in the next few years.
- Their service lines are buried underground, therefore no pole or windfall maintenance is needed.
- They use special back-up batteries that provide off-grid power for several days when power grid is down.
- They absorb most of the start-up costs and are eligible for grants, therefore not a high cost to sign on. Telus requires everyone on a street to sign on before providing new service. They do not and will run their service down the street and those wanting to join later can as they will leave a connection point for each home or business. They only want to dig once.
- The CBT's fibre optic loop project through Salmo is expected to be complete by the end of 2024. They would access the broadband

from the local hub to provide their service in Salmo. They install the trenches and lines for local service.

- They can bore under roads where needed.

Mr. Maxfield departed the meeting at 7:22 p.m.

UPCOMING EVENTS
Hydrant Flushing June 8 th – 10 th , 2022

¹ (W) = Weekend – if a daily activity, it is now being done 7 days a week.

PUBLIC NOTICE

Hydrant Flushing

Wednesday, June 8th - Friday June 10th, 2022

THE VILLAGE CIVIC WORKS CREW WILL BE
FLUSHING FIRE HYDRANTS
AS PART OF THE ROUTINE MAINTENANCE ON:

Wednesday June 8th – Friday June 10th, 2022

Please be advised that you may experience slight water discolouration, odor, sediment discharge and/or change of taste as a normal effect of the flushing. These side effects may last for up to 3 days after the process is completed.

*If any of this occurs please try running **COLD** your water to flush out the lines on your property and if necessary remove the aerator from the tap to clear blockages.*

There will be NO chlorination used during this process.

If you have any concerns with or during this process please contact the village office during regular business hours at: (250)357-9433

Thank-you for your patience and cooperation during this process.

Fire Chief's Report: May 01, 2022

Regular Council Meeting #10-22

Since the last report on April 1st, 2022 the Salmo Fire Department responded to only 2 calls:

1 Lift Assist 1 Jaws

DESCRIPTION

Members of the Salmo Fire Department had a relatively quiet time during the month of April. Fortunately both our calls were relatively minor in nature.

Misc.

The numbers of (volunteer) members at fire practices remain constant, and our number on calls also remain fairly high in comparison to most other departments in the area, whose members are each being paid \$17.00 per hour for practices and calls.

Preparation for the wildland season has begun with our members. All our pumps have been run and prepared. Our hoses and equipment have been checked and prepared for a rapid response to a wildland fire threat.

With the better weather we have been able to get out and do our annual pumping and drafting practices. We have also been able to practice our over the bank rope rescue system.

The fire department has been, and will remain in contact with the village foreman with discussion and planning for possible flooding. This line of communication is crucial, so that a coordinated approach can take place if there is a threat of immediate flooding.

The Corporation of the Village of Salmo

REPORT TO COUNCIL

REPORTING PERIOD: April 22 to May 20, 2022

SUBMITTED BY: Anne Williams, Chief Administrative Officer

1) Grants:

- a. **Mining Equipment Project** – Project scheduled to resume anytime now with completion (hopefully) by June 30, 2021 in time for Canada Day.
- b. **AccessAbility Grant:** A grant of \$500 was applied for and approved by SparcBC for a mobility event – a scavenger hunt called “Making Out in Salmo” - on Saturday, June 4th. Councillor Segall is organizing the event.

2) **Zoning (Land-Use) Bylaw:** Review of Council feedback complete. Expect to circulate Version 7, in tracked-changes, to Council soon for review. Delay is due to numerous other areas of business needing my time. Most changes are minor rewording, additions or deletions for clarity. A list of suggested discussion items will be sent with the bylaw.

3) **Annual Report:** Completed and posted online with audited financial statements. Printed copies are available for review in the office. CFO McClure will present them at a special meeting on May 30th.

4) Bylaw Enforcement & Building Inspection:

I continue to work with staff, the Building Inspector and the Bylaw Enforcement Officer to address issues with property owners regarding building structures that don't comply with the Village's bylaws, particularly unsightly premises.

The Village will have new Building Inspector from the RDCK next week.

5) Shop Roof Repair

We are still waiting for Valet Restorations to get started.

6) Dike Management

Sand and sandbags are available to villagers at the lift station. According to EMBC, the snow pack actually increased between April 1st and May 1st, so there is still a flood risk if we get either days of rain or a prolonged stretch of heat.

7) Canada Day

A Parade Marshall has finally been found, fireworks ordered, and other events are being planned by their organizers. Alana Lins is coordinating to overall day. We are also liaising with the Ball tournament organizer and the Legion.

8) Staffing

Summer students – We finally filled all our summer positions and they're all repeats. They have been given refresher training regarding the care and use of Village equipment.

APPENDIX B

THE CORPORATION OF THE VILLAGE OF SALMO REPORT FROM COUNCIL

COUNCILLOR HUSER

Council Report for Council Meeting held on May 24, 2022.

PORTFOLIOS

Salmo Valley Youth & Community Centre: the 2022 meetings are on: June 28, Sept 27 (AGM). I have reached out to ask if I could receive the reports from the May 10th meeting, I will forward to Council once I receive them

Parks: Nothing to report.

Cemetery Working Group: received the base prices for benches from the CAO, I will be setting up a CWG meeting in the next couple of weeks to go over the wall size for plaque sizing and pricing and the bench information. The organization interested in potentially donating towards a bench or the wall were impressed with the Memorial Wall design – they will be letting us know if they have a donation and what they would like to dedicate it to.

Civic Works: Nothing to report.

Bylaw & Policy Review: Zoning Bylaw – looking forward the COTW for a full review.

RDCK Alternate Director: Nothing to report

Community Engagement: Nothing to report.

OTHER MEETINGS OR ACTIVITIES OF NOTE

May 10, 2022 – I attended the Nelson Fentanyl Task Force Meeting – discussion revolved around lack of housing in the area and the effects on those who suffer from drug dependency.

May 16, 2022 – I attended the Recreation Commission Meeting – Mayor/Director Lockwood reports on this meeting.

May 16 & 17, 2022 – I attended the 4th Annual Substance Use Conference hosted by British Columbia Centre on Substance Use.

May 16 – I attended the following sessions:

Safer Supply/Risk Mitigation Prescribing Panel – Dr. Brittany Barker, Dr. Bernie Pauly, Dr. Amanda Slaunwhite, Dr. Karen Urbanoski: Prescribers 1093, clients 2165 over the 2 years of the dual public health emergencies – Covid19 and the toxic illegal drug supply. More prescribers in urban areas. There is a lack of support from other practitioners and organizations and some practitioners experienced lateral violence.

Safer Supply/Risk Mitigation Panel – Andrea Sereda (MD), Christina Chant (BCCSU), Geoff Bardwell (PHD), Guy Felicella, Phoenix Beck McGreevy: Shared different models and lived experience of safe supply and illustrated the finding and experience from the models. Pros, cons, what's effective, what's not.

Community Action Teams (CAT) Abstracts – Amanda Erickson, Leah Vance, Melanie MacDonald, Peter Hoong, Sukh Shergill: A breakdown of what CAT teams around the province are doing – Leah Vance from Cowichan CAT gave a great presentation.

Stimulant Use - Emma Garrod (Co-director BCCSU Addiction Nursing Fellowship), Katt Cadieux (E.D. & Founder of UNDU), Kaye Robinson (MSW, ESW), Len Tooley (MPH), Paxton Bach: Stimulant Use Disorder Treatment updates: 2014ish Chrystal meth surpassed cocaine usage in Vancouver, treatment of Chrystal meth use, Pharmacologic strategies (Mirtazapine, psychostimulants (ie: Adderall), Bupropion +XR-Naltrexone), Non-pharmacologic treatment options are the preference.

Memorial Event – too many lives cut short due to the toxic drug supply.

May 17th – I attended the following sessions:

Justice, Equity, Diversity & Inclusion (JEDI) Across the Continuum of Care– Keynote speaker Dr. Esther Tailfeathers – her daughter was involved in the creation of a documentary called Kimmapiiyipitsini: The Meaning of Empathy – which will be available to the public on June 23rd for free on nfb.ca – we need to address poverty in the work that is being done. Prevention, Harm Reduction, Detox (safe withdrawal site), Treatment, Aftercare, Community Supports – all these are needed to build a continuum of care based on community strengths.

Envisioning a Youth-Centered & Youth Specific Approach to Substance Use Care – Dayna Fast (Associate Professor, UBC Medicine), Haleigh Anderson (YAC), Kali Sedgemore (PWUD, PWLE, Youth researcher), Mazal Jensen, Shane Douglas: Described characteristics of youth-centered and youth specific care, difference between youth-specific, youth-centered & youth-led care, identifying how harm reduction approaches fit with youth care. Discussed the closure of Directions Youth Detox in Vancouver, a major loss for the area.

Concurrent Mental Health and Substance Use Disorders – Gwen Lister (RSW, MPH, PWLE), Katey Kincaid, Martha Ignaszewski, Michael Scott, Michele Loughrin, Nancy Murphy: Identified some best practices in treatment of concurrent mental health and substance use disorders; integrate an understanding of family, youth and peer experiences into care provision for people with concurrent disorders and showed tangible examples of practice improvements in support of family and peers

Novel Ways of Integrating Indigenous Cultural Safety and Humility in Substance Use Care – 6 speakers – Identified novel approaches to integrating cultural safety into substance use settings, discussed the importance and value of cultural safety and humility and how to incorporate principles and approaches into personal and professional practices.

Understanding the continuum of care through a trauma-informed lens: harm reduction, treatment & recovery – 6 speakers – trauma awareness is needed and discussed its connection to substance use, it matters structurally within the system and how the services are organized or the trauma and violence may be perpetuated. There needs to be a safe place for people to get support.

May 19, 2022 – I attended a virtual knowledge exchange with Community Action Teams from around the province to discuss what safe supply is and how to support its implementation in communities to save lives. The goal is to minimize toxic drug consumption by increasing safer substitutes, harm reduction saves lives. Bill C-216 is being voted on soon in Parliament and needs support.

Respectfully submitted,

Councillor Jacquie Huser
