To: The Village of Salmo

The Village Chief Administrative Officer, James Heth, will be departing the Village effective June 16, 2023. Council have begun the process of recruiting a replacement. He will be taking a position at Selkirk College, and while we are very sad to have him leave us, we are extremely happy to have him still working in the Kootenays. Council wishes him the best in his future endeavours.

Sincerely,

Diana Lockwood
